

# NAIL THE OUTDOORSY LOOK (Without leaving home)

WANT TO LOOK GORGEOUSLY WINDSWEPT  
AND GLOWY? CHEAT IT!

## SKIN

Think dewy, fresh-faced beauty and minimal make-up, which means starting with a plumped-up, smooth base. Sleep in **Visionnaire Nuit Beauty Sleep Perfector** £60 [lancome.co.uk](http://lancome.co.uk) and, when you wake up, add a drop of **Custom Infusion Drops A+ Jasmine** £40 **Cover FX** to your day cream for a deeply hydrated complexion.

## HAIR

You want hair to look like it's blown into place by autumnal weather, not hours with a hairdryer. Keep the texture light – **Purifying Hair Finish Lotion** £36 **Christophe Robin** is the perfect post-shower prep – then mattify with **Tecni.ART Fresh Dust** £13.49 **L'Oréal Paris**.

**Smudgeproof Mascara in Brun** £17 **Paul & Joe**

## EYES

A handsome, brushed-up brow with a hint of brown mascara. That's it – easy! If you want extra depth after dark, sweep a featherlight wash of **Eye Colour in Cubica Mauve** £7 & **Other Stories** (left) across the lid, with a fine line of **Certified Organic Eye Liner in Coco** £13.50 [inika.co.uk](http://inika.co.uk) (right) along upper lashline.

**Just Browsing Brush-On Styling Mousse in Soft Blonde** £16 **clinique.co.uk**

## CHEEKS & LIPS

"The look radiates health and freshness," says Hannah Murray, who created the Topshop Unique version. "Apply **Cheek Jelly in Museum** (£7 [topshop.com](http://topshop.com), left) to create a rosy, weathered flush, blending out and down from the apples of your cheeks, and a little on your lips, blotted with a tissue to tone down the colour. For extra depth, dab **Lip Bullet in Joyride** (£8 [topshop.com](http://topshop.com), right) into the centre of the cheek to add a subtle flush to the surface of the skin."
